

Strategic procurement for government operations.

Valtarus connects federal agencies and prime contractors with qualified manufacturers, distributors, service providers, and subcontractors to source and fulfill product and support requirements.

Reliable Procurement. Mission Support. Trusted Execution.

Responsive sourcing and disciplined coordination from requirement review through delivery.

WHAT WE DELIVER

01 / PROCUREMENT

Federal Procurement & Strategic Sourcing

Requirement review, COTS procurement, supplier identification, quote collection, alternate sourcing, and support for hard-to-source or time-sensitive requirements.

03 / LOGISTICS

Supply Chain & Logistics Coordination

Supplier coordination, order tracking, freight and delivery planning, fulfillment support, product availability management, and schedule communication.

02 / PRODUCTS

Equipment & Material Acquisition

Commercial products, specialized equipment, machinery, vehicles, workplace supplies, field equipment, and operational materials sourced against customer specifications.

04 / SERVICES

Contract, Service & Staffing Support

Proposal and quote support, procurement lifecycle coordination, qualified service-provider and subcontractor sourcing, staffing support, and fulfillment management.

PROCUREMENT CATEGORIES

- Night vision, optics & portable lighting
- Tents, shelters & field sustainment
- Industrial machinery & MRO supplies
- Safety, rescue equipment & PPE
- Tools, hardware & material handling
- Emergency response supplies
- Office products, furniture & IT hardware
- Fleet vehicles, parts & transport equipment
- Facility, janitorial & workplace supplies
- COTS and hard-to-source requirements

WHY VALTARUS

Direct, responsive execution

Customers communicate directly with decision makers and receive timely, accountable support.

Supplier access beyond a fixed catalog

We source against the requirement through manufacturers, distributors, specialty suppliers, and partners.

Military and aerospace discipline

Leadership experience brings a quality, documentation, and mission-readiness mindset to each engagement.

Ownership from request through delivery

We remain engaged, communicate changes early, and coordinate the moving parts until the requirement is complete.
